Our Faculties

Dr. S GOPALAKRISHNAN CFE
SENIOR FACULTY

Dr. S. Gopalakrishnan, CFE (USA), is a finance expert with 30+ years of corporate experience in forensic auditing, fraud prevention, and financial management. He has held leadership roles in Thermo Craft Appliances, Loop Mobile, Reliance Retail, and Bharti Tele-ventures, specializing in risk control, procurement, and loss prevention. Currently, he is an Associate Consultant at VH Consultancy and Consultant Director at Divasprik Intelligence Pvt Ltd. He is a faculty for Forensic Accounting, CIA (USA) on Internal Auditing, CA and CMA (USA). He serves as a visiting faculty with many business schools on Financial management and forensic Accounting. He is a faculty for the ACCA program, with 15+ years of teaching experience. He has trained professionals at the Institute of Chartered Accountants of India and other institutions. A corporate trainer, he has conducted sessions for financial institutions on internal auditing and fraud detection. A prolific researcher, he has published multiple papers on fraud deterrence, CSR, and financial risk management. His expertise bridges corporate leadership, academia, and professional training in finance and forensic auditing.

ANANDHU MURALI CMA
CENTER HEAD
AND SENIOR FACULTY

Anandhu Murali is a CMA (US)-qualified professional with a strong blend of academic and corporate expertise. With 3 years of experience as a faculty member specializing in both Part 1 and Part 2 of the CMA curriculum, Anandhu brings a practical, industry-oriented approach to learning.

Before transitioning into teaching, Anandhu worked as a senior analyst at Arthur J. Gallagher for 3 years, gaining hands-on experience in financial analysis, risk management, and corporate finance. This dual expertise allows Anandhu to bridge the gap between theoretical concepts and real-world applications, equipping students with the skills needed for success in their CMA journey and beyond.

KRISHNA CHANDRAN CMA

ACADEMIC HEAD
AND SENIOR FACULTY

With 3 years of dedicated experience, Krishna Chandran is a qualified CMA (US) professional with a Master's degree in Commerce. Specializing in both Part 1 and Part 2 of the CMA curriculum, Krishna possesses in-depth knowledge and practical insights that empower students to excel in their exams.

Known for a structured approach and commitment to clarity, Krishna ensures that complex concepts are simplified for better understanding. Driven by a passion for finance and management accounting, Krishna is dedicated to guiding aspirants toward achieving their CMA goals.

Krishna's teaching philosophy revolves around creating an engaging and interactive learning environment where students feel supported and encouraged to ask questions and explore topics in depth. By incorporating real-world examples and case studies, Krishna bridges the gap between theory and practice, making learning both relevant and enjoyable.

ABHIJITH AK

SENIOR FACULTY

Abhijith is a CMA (US) qualified professional with 3 years of experience specializing in both Part 1 and Part 2 of the CMA curriculum. With a proven track record of high pass rates, Abhijith is dedicated to delivering results through a strategic and student-focused approach.

Known for breaking down complex topics into easy-to-understand concepts, Abhijith ensures students gain the confidence and knowledge needed to excel in their exams. Committed to student success, Abhijith continues to inspire and guide CMA aspirants toward achieving their certification goals.

Abhijith's teaching style is characterized by his enthusiasm and commitment to fostering a supportive learning environment. He actively encourages students to engage in discussions, ask questions, and explore the intricacies of finance and management accounting. By integrating interactive tools and resources, Abhijith makes learning dynamic and accessible, ensuring that students not only understand the material but also enjoy the learning process..

MOHAMMED AZHAR
SENIOR FACULTY

Mohammed Azhar is a dedicated finance professional specializing in both CMA (US) and ACCA. He is ACCA-qualified, completing the certification in just two years, and brings two years of corporate experience as an Audit Senior at EY. Specializing in CMA US Parts 1 and 2, as well as ACCA's Skill and Professional papers, he has a proven track record of successfully mentoring numerous students. With a strong foundation in financial analysis and auditing, he has worked across diverse sectors, including Riyadh, Kuwait, and the UK, providing valuable insights in audit and financial reporting. His expertise spans risk assessment, corporate governance, and the development of future finance professionals.

His teaching philosophy emphasizes a hands-on approach, encouraging students to apply theoretical concepts to real-world scenarios, thereby bridging the gap between academia and industry. Mohammed is known for his engaging lectures that simplify complex topics, making them accessible and relatable. He is passionate about fostering a collaborative learning environment where students feel empowered to ask questions and explore innovative solutions. As a Senior Faculty member, Mohammed is committed to facilitating student growth and success, preparing them for dynamic careers in the global finance landscape. His dedication to education and his dynamic industry experience make him an invaluable resource for aspiring accountants and finance professionals.

JAINI.J
FACULTY

Jaini is a CMA (US) qualified professional with Two year of teaching experience. She combines her expertise in management accounting with a strong commitment to educating and mentoring students. With a focus on financial management, cost analysis, and strategic decision-making, Jaini helps students gain a deep understanding of key concepts in the CMA curriculum. Her practical knowledge and teaching approach make her a valuable asset in the field of accounting education.

She is adept at creating an interactive learning environment that encourages students to actively participate and engage with the material. Jaini's approach is centered around real-life applications, ensuring that her students can connect theoretical knowledge with practical situations. She is known for her ability to break down complex topics into manageable and understandable segments, making learning both accessible and enjoyable.

ARYA KRISHNAN
FACULTY

Arya Krishnan is a CMA (US) qualified professional with one year of teaching experience and a strong background in corporate accounting. With expertise in financial management and reporting, she combines practical industry knowledge with a passion for education, helping aspiring professionals excel in their careers. Her corporate experience as an accountant has equipped her with hands-on expertise in financial analysis, budgeting, and compliance. She is dedicated to bridging the gap between theoretical concepts and real-world applications in finance and accounting.

Arya's approach to teaching focuses on interactive learning and real-life case studies, ensuring that her students not only understand the theory but also know how to apply it effectively in their future careers. Her commitment to student success is evident through her personalized mentorship and her efforts to stay updated with the latest trends and developments in the finance sector. Arya's enthusiasm for nurturing talent and her innovative teaching methods make her an inspiring figure in the academic community.

NOEL THOBIAS
FACULTY

Noel Thobias is a CMA (US) qualified professional who successfully completed both parts of the certification within just six months. As a dedicated faculty member, he combines his in-depth knowledge of management accounting with a passion for mentoring and guiding aspiring finance professionals. His expertise lies in financial planning, performance management, and strategic decision-making, making him a valuable asset in both academic and professional settings. Noel has honored his skills in analyzing complex financial data and developing strategic insights that drive business growth. He is known for his ability to simplify intricate concepts, making them accessible and engaging for students.
